

qMp (Quick Mesh Project) - Packages - Característica #415

qmp-system depends on luci-base

07/03/2017 06:02 PM - Roger Pueyo Centelles

Status:	Tancat	Start date:	07/03/2017
Priority:	Normal	Due date:	
Assignee:	Roger Pueyo Centelles	% Done:	100%
Category:	Packages	Estimated time:	1.00 hour
Target version:		Spent time:	1.00 hour
Description			
On those devices with only qmp-system (and not qmp-tiny-node), commands like "qmpinfo ipv4" do not work. Installing the luci-base package solves it.			

History

#1 - 07/04/2017 12:22 PM - Roger Pueyo Centelles

- Category set to Packages
- Status changed from Nou to Resolt
- % Done changed from 0 to 100

Fixed in commit [3ed51c64](#).

#2 - 07/04/2017 12:22 PM - Roger Pueyo Centelles

- Status changed from Resolt to Tancat
